

Mjörk, *Color Body Porcelain*.

The fusion of bush hammered Piasentina limestone with crisp quartz veining, created in porcelain.

Gentle color variations  
and delicate veins defines  
the contemporary style of  
the Mjörk collection.

## Mjörk collection

This collection offers a wide selection of formats and sizes, as well as coordinating trim pieces. It also includes larger than average size formats, ideal for a wider variety of high traffic environments, including commercial interior and exterior installations.

## Colors at a glance

A color palette filled with a variety of color nuances and shades, Mjörk recreates all the expressive character of limestone.

Ash

Mica

Clay

Carbon

## Formats and finishes at a glance

The collection has a selection of formats and sizes, ranging from large and medium format rectified tiles, to hexagon and square mosaics and includes a coordinating trim.

*The Anatolia difference*  
Unmatched elegance and unparalleled perfection.

Anatolia reinvents shapes and design compositions through refined color palettes, innovative graphical refinements and creative reinterpretations of traditional, cultural and trend led inspirations. Meticulous care is taken to enhance a product's formation through graphical and technical improvements at every step of the development and execution process. This leads to the most exquisite and discerning tile collections.

*Technical Performance*  
Avant-garde design and attention to detail.

The goal of Anatolia's design department was to create the utmost elegant and sophisticated product, a perfect blend of functionality and style. New technical aspects, innovative shapes, and a new color palette were designed to represent the vibrant and lively nature of metropolitan city life, inspired by its culture and history.
