

WILSON ACCESSORIES

Installation Manual

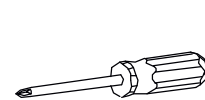

LIFEWITHPEARL.COM

INTRODUCTION

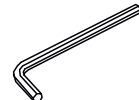

Thank you for purchasing an authentic Pearl® vanity accessory. The fixture you have purchased is crafted out of the highest quality steel. Each and every fixture is carefully inspected by hand before leaving the production line.

Please read the instructions carefully to prevent any malfunction and damages to your vanity and property.

TOOLS

Philips Screwdriver

Allen Wrench

Drill and Assorted Bits

INSTALLATION

- 1 Drill two holes through the tile only to mount directly to a stud.
- 2 Insert a plastic sleeve into each pre-drilled mounting hole and secure the bracket to the wall with screws provided.
- 3 Install the unit to the bracket.
- 4 Secure the unit with allen wrench.
