Introducing three captivating additions to the HIMACS Calacatta Collection.
Calacatta Ramo is a cozy rendition of Calacatta Luna, the first wide-vein Calacatta color introduced by HIMACS. Calacatta Fiore presents delicate veins on a white canvas, replicating the elegance of finely veined Calacatta marble. Calacatta Crystal offers a subtle, ethereal charm with white veins on an off-white backdrop. Each color promises to create a focal point in any room, whether it's a kitchen island, bathroom vanity, or living room centerpiece.
